THE THEORETICAL BRANCH Will be under the supervision of the President and Professors of the College. THE PRACTICAL, and most important

branch will be specially attended to by representatives from the various master-artizans among us, who have kindly and generously promised their services to this useful and valuable enterprise.

They will alternately devote an hour each evening to the task of imparting this practical knowledge to the students. All the implements necessary to each trade, and to agriculture, will be furnished by the College. Each Master-Artizan, while connected with the College, will be entitled to name one Free-Life-Scholarship to the privileges of this Evening School Department.
